Summary of EHG services.

EHG Digital

Save time with the EHG Webshop. 24 hours a day.

Simply said, you have more time for other important things!

Not only is it easy and fast to choose in the EHG Webshop the products you want including EHG additional processing; but you can also calculate your requirements immediately based on your individual up to date prices. This provides you with a quick summary of dimensions, prices, additional process-

ing, and availability so that you can provide prompt information to your customers and order online immediately if required.

Our integrated online shop makes it easy to order immediately. Take advantage of these benefits and increase the efficiency of your often time consuming everyday tasks.

THE BENEFITS:

Immediate overview of over 20,000 articles and 150 various grades.

Individual up-to-date purchase prices for registered users.

Simple, quick search for articles, 24 hours a day and seven days a week.

The latest information about availability, lengths, machining and delivery deadlines.

The EHG Webshop enables you to individually calculate the latest purchase prices including processing costs.

Direct ordering of the calculation in the EHG Online Shop.

Own search/download of inspection certificates.

Flexible setting of delivery deadlines ensures supply according to needs.

» EHG Outsourcing

Your warehouse without the floorspace. EHG Complete.

EHG Complete is synonymous with complete outsourcing of your material supply management: EHG takes care of the warehousing and processing of customer-specific material as well as the entire warehouse and distribution logistics.

Cost-effective

With EHG Complete you have the freedom to use your floorspace more productively for valuable activities.

Efficient

The complete connection of your ERP system to the EHG infrastructure enables fully automated order transactions. The optimised procurement process reduces your administrative workload and order errors.

Secure

A minimum stock level defined by you ensures a continuous material supply. All parts are finished at the warehouse in accordance with your requirements. You save time, and the material is where it needs to be in record time.

We would be happy to provide you with more information on EHG Complete in a personal consultation.

We supply steel and metal. And we deliver solutions.
