

EHG at a glance

EHG is an independent steel and metal trader. Since 1963, we are a leading full-service provider for our customers coming from industry, business, skilled crafts and metal trade. Our unique product range is regularly being extended. Thanks to ten locations in Europe

and perfect warehouse and transport logistics, our goods always reach their destination in time. Close contact to our customers and suppliers comes first for us. In combination with smooth processes and individual service, this makes us a reliable and valuable partner.
