Stainless steel. An extensive product range from a full-service provider.

We offer customers an extensive, complete range of stainless steels. 2,500 tonnes in more than 3,000 dimensions of sheet and profiles are constantly in-stock. With state-of-the-art technology we continuously guarantee precisely cut lengths, and also independently of surface finish. Grades and dimensions not stocked can be rapidly procured.

The EHG promise: Whether purchasing or selling, stock or vehicle fleet, our experienced and quality-conscious employees guarantee the correct handling of our high quality products, along with optimum consultation and advice.

EHG Steel.Metal: We deliver solutions.
